1.0 Policy Statement

- 1.1 We are an ambitious and inclusive Trust of schools, strengthening our communities through excellent education. We are committed to providing excellent education for every child, every day, and aim to strengthen and work with our communities to continue to improve accessibility in our schools.

2.0 Aims

- 2.1 This policy aims to:

- set out our approach to requiring a uniform that is of reasonable cost and offers the best value for money for parents and carers
- explain how we will avoid discrimination in line with our legal duties under the Equality Act 2010
- clarify our expectations for school uniform

3.0 The schools legal duties under the Equality Act 2010

- 3.1 The [Equality Act 2010](#) prohibits discrimination against an individual based on the protected characteristics, which include sex, race, religion or belief, and gender reassignment.

To avoid discrimination, our school will:

- avoid listing uniform items based on sex, to give all students the opportunity to wear the uniform they feel most comfortable in or that most reflects their self-identified gender
- make sure that our uniform costs the same for all students
- allow all students to have long hair (though we reserve the right to ask for this to be tied back)
- allow all students to style their hair in the way that is appropriate for school yet makes them feel most comfortable
- allow students to request changes to swimwear for religious reasons
- allow students to wear headscarves and other religious or cultural symbols
- allow for adaptations to our policy on the grounds of equality by asking students or their parents to get in touch with Tasmin Reed at tasmin.reed@iscaexeter.co.uk, who can answer questions about the policy and respond to any requests

4.0 Limiting the cost of school uniform

- 4.1 We understand that various families in our community face economic hardship. On this basis we offer:
- A full uniform shop service with loan items for daily use
 - Second-hand uniform is available to all families who may need this and will be provided to them on an individual basis from our uniform shop stock. We have an established system that year 11s hand back uniform items as part of their last day with us, which feeds into our stock. Families can request assistance with uniform by contacting their child's Head of Year in the first instance
- 4.2 Our school has a duty to make sure that the uniform we require is affordable, in line with statutory [guidance](#) from the Department for Education on the cost of school uniform.
- We understand that items with distinctive characteristics (such as branded items, or items that have to have a school logo or a unique fabric/colour/design) cannot be purchased from a wide range of retailers and that requiring many such items limits parents' ability to 'shop around' for a low price.

Responsibility for approval: Senior Exec

Date of approval: June 2025

We will make sure our uniform:

- is available at a reasonable cost
- provides the best value for money for parents/carers

We will do this by:

- carefully considering whether any items with distinctive characteristics are necessary
- limiting any items with distinctive characteristics where possible: for example, by only asking that the blazer, worn over the jumper, features the school logo
- limiting items with distinctive characteristics to low-cost or long-lasting items, such as ties
- considering cheaper alternatives to school-branded items, such as logos that can be ironed on, as long as this doesn't compromise quality and durability
- avoiding specific requirements for items students could wear on non-school days, such as coats, bags and shoes
- keeping the number of optional branded items to a minimum, so that the school's uniform can act as a social leveler
- avoiding different uniform requirements for different year/class/house groups
- avoiding different uniform requirements for extra-curricular activities
- considering alternative methods for signaling differences in groups for interschool competitions, such as creating posters or labels
- making sure that arrangements are in place for parents to acquire second-hand uniform items
- avoiding frequent changes to uniform specifications and minimising the financial impact on parents of any changes
- consulting with parents and Students on any proposed significant changes to the uniform policy and carefully considering any complaints about the policy

- resolved locally
- dealt with in accordance with our school's complaints policy

The school will work closely with parents to arrive at a mutually acceptable outcome.

Ongoing breaches of our uniform policy will be dealt with in line of the behaviour policy and team.

In cases where it is suspected that financial hardship has resulted in a pupil not complying with this uniform policy, staff will take a mindful and considerate approach to resolving the situation.

- is appropriate for our school's context
- is implemented fairly across the school
- considers the views of parents and Students
